

How to Play:

Every few weeks, we will release a new card on our WPPL Facebook Page, website, and in the Mitchell Advocate. Track each activity that you achieve. We challenge you to complete enough activities to finish a line or whole page. Each line, up to 5 per page, earns you a draw ticket for a fabulous prize from a local business. When you have completed a line, please contact the library via Facebook, email or phone, to celebrate your success with us! Keep your cards, or a digital copy, to return to the Library when we re-open (stay tuned for details regarding prizes and draw dates).
